Spring Maintenance Checklist for Your Home

Spring is here! After a long winter, it's time to inspect your home for any damage and prepare for the warmer months ahead. Use this checklist to ensure your **roof, siding, and windows** are in top shape for the season.

Roof Inspection & Maintenance

- ☐ Check for **missing, cracked, or damaged shingles**.
- ☐ Inspect your **attic and ceilings for water stains or leaks**.
- ☐ Remove **any remaining ice dams or debris** from the roof.
- ☐ Clear **gutters and downspouts** to ensure proper drainage.
- ☐ Trim **tree branches** near your roof to prevent damage.
- ☐ Schedule a **professional roof inspection** to catch hidden issues.

Siding Inspection & Maintenance

- ☐ Look for **cracks, warping, or loose panels** caused by temperature changes.
- ☐ Clean siding to remove **dirt, mold, or mildew buildup**.
- ☐ Check for **signs of moisture damage** that could lead to mold.
- ☐ Seal any **gaps or openings** where pests could enter.
- ☐ Consider **repairs or replacement** if the siding is severely damaged.

Windows & Doors Inspection

- ☐ Check for **drafts** and reseal windows or doors if needed.
- ☐ Inspect for **cracked glass or damaged frames**.
- ☐ Clean windows inside and out for **better visibility and efficiency**.
- ☐ Repair or replace **damaged window screens**.
- ☐ Consider upgrading to **energy-efficient windows** to cut energy costs.

Prepare for Spring Weather

- ☐ Test your **gutters and drainage systems** to ensure water flows away from your home.
- ☐ Make sure your **attic is well-ventilated** to prevent future ice dams.
- ☐ Schedule a **professional home inspection** if you suspect winter damage.
